Fire, I'm gonna take the world by Fire, I'm talkin' 'bout Holy Ghost Fire  
He's giving that fire to me

Shane's rap:

You gotta move to the left and move to the right, put your hands in the air like He's dyna  
'Cause He's lightin' us up from coast to coast, fillin' us up with the Holy Ghost  
It's an old school dance, Solomon's entrance, gotta wedding ticket to a holy romance  
For 2k years we've been watchin' the skies, for UFO's? Nah, I tell you no lies  
He's coming down big and He's coming down strong, with a mighty hand and a mighty ar  
To save, to claim, to conquer, in His name  
We'll be going up, up, up, all of Gods people get ready, 'cause  
We'll be going up, up, up,... take it away Danielle!

# OMG - page 2

Danielle's rap:

I'm the Man upstairs, the Man from up above  
The One who is and is to come  
If you look to Me, then you will see  
All that I hold in eternity

You see I sent My Son down for you  
So you would know that He is faithful & true  
He gave His life for you & me  
Who the Son sets free is free indeed

If you believe in me and say it with your mouth  
Purpose in your heart, and have no doubt  
You'll be saved and live with Me  
And all that I hold in eternity

OMG, He is God  
The Creator of the universe  
The Creator of all humanity  
Can I get a witness for OMG
