Hold on, get on back, I got something to say

'bout Jesus, that's a fact, and the cross finality

The Lion is coming back, for those who believe

D5 E5 D5 E5

When He rides down, on the clouds, glory and saints, all around

D5 E5 D5 E5

"He rides down, on the clouds, glory and saints, all around"

CHORUS

Em C7

For we know the day, will reveal the power

Am C7 D^{sus2} add6

In the final hour, the sky will turn black, when Jesus comes back

Em C7

For we know the day, will be very frightening

Am C7 D^{sus2} add6

The thunder and the lightning, the terror of the Lord, the glory of His majesty

VERSE 2

Em

The Lord alone will be exalted in that Day

Against every proud and lofty thing that dares to say

That it is lifted up above His majesty

D5 E5 D5 E5

I got the book, I read it myself, go take a look, where comes my help

D5 E5 D5 E5

"I got the book, I read it myself, go take a look, where comes my help"

The Day – page 2

CHORUS

For we know the day, will reveal the power
In the final hour, the sky will turn black, when Jesus comes back
For we know the day, will be very frightening
The thunder and the lightning, the terror of the Lord, the glory of His majesty

BRIDGE (4x)

Thine is, the kingdom, and the power, and the glory
Forever, it is written in His story
I've already read to the end
And we win, and we win, and we win
