Salvation and glory and power belong to Him forevermore
And we believe that He's coming back soon, so people get ready
For the soon return of the King*

VERSE 1:

Em

Near the end, I feel it in my bones
Fire burning hot, Sodom and Gomor'
Give it all we got, that's what Joshua and Caleb said
Holy Ghost synergy, I feel the same inspirez', ahhh

D

There's a generation rising up - Remnant
Grafted into Abraham's fam – Descendants
Mercy & truth worn hard – Pendant
The ground comes fast but the wind - Second

Em

Live long and prosper, a positive exhortation
You didn't know God was blessing you on the station
A Jewish man held up his hand like a Shin
And everyone just thought that it was really keen

D

Uh hu, yeah, God knows where to hide ya
Under cover agents doing business - Messiah
The 1st time He came as a Lamb to the cross
The 2nd time He's coming as a Lion – Boss

E – D – B-Bb-A – G (2x)

CHORUS:

Em

G

With the heart of a Lion, He's giving me the heart of a Lion

VERSE 2: The Heart Of A Lion – page 2

Em

Giant slayin', no armor from the king
A lion with bare hands, now he's got a sling
If the Lord be for us, who can stand against
Where is he, who would dare, say such a thing. David

D

I'm about the Father's business busy winning souls
Power and love are in my arsenal
Look up 2nd Timothy, if you don't believe me
1 verse 7 says, I am not crazy

Em

It's easy to believe in things that everyone can see
I'm on another level like Iron in the ring
Got my eyes on the prize so I don't get too weary
The affairs of this life, a tangled mess to carry

D

There's a generation rising up like Jeremiah
The word is in their hearts and their bones are on fire!
The 1st time He came as a Lamb to be slain
The 2nd time He's coming as a Lion to reign
