OMG, can I get a witness, for OMG, I'm not ashamed, of

You gotta move to the left, you gotta move to the right
Jump up and down, if you know that He's alright

Jesus, He's alright, my Jesus, He's dynamite

I just can't stop praisin' Him, no I just won't stop praisin' Him
No I just can't stop praisin' Him, alright

OMG, can I get a witness, for OMG, I'm not ashamed, of

You gotta move to the left, you gotta move to the right
Jump up and down, if you know that He's alright

Jesus, He's alright, my Jesus, He's dynamite

Fire, I'm gonna take the world by Fire, I'm talkin' 'bout Holy Ghost Fire
He's giving that fire to me

You gotta move to the left and move to the right, If you wanna join the party, catch the train tonig
'Cause He's pickin' us up from coast to coast, Fillin' us up with the Holy Ghost

It's an old school dance, Solomon's entrance, Gotta wedding ticket to a holy romance
For 2k years we've been watchin' the skies, For UFO's? Nah, I tell you no lies

He's coming down big, and He's coming down strong, With a mighty hand, a mighty arm
To save, to claim, To conquer, in His name

We'll be going up, up, up, All of Gods people get ready, 'cause
We'll be going up, up, up, That's why I'm saying, that's why I'm saying

I just can't stop praisin' Him, no I just won't stop praisin' Him
No I just can't stop praisin' Him, alright
